Dear Bel,

I know my words no longer have any meaning, but I still have words I want you to hear, I will do ANYTHING to save us and our family!!! When I say the base is in "your" court, Jim Davis, I no longer have a leg to stand on. You tell me what I need to do to save us I will. I think the first step should be to have your hands and manage ALL my money. I will close my checking account and give my check history to you, that way, I obviously shouldn't be expected to check or spend money, because I wouldn't have any. I have proven that I can't be trusted and I don't trust myself, so I need you to control it for me.

Again, I will do ANYTHING!!! If that means leaving I will... ANYTHING you name it! I know you don't I have done this to YOU and that I don't have a clue about you. I do... I love you and our family more than anything... and I'll do whatever it takes to keep that... if its possible! I know it is meaningless, but I am so, so, so sorry. I don't believe you love or you forgiveness, but please know that I did not do any of this to hurt you. I am fighting an internal battle against myself, not you, and Daddy, you are a victim of the war! I never ever meant to hurt or involve you, when I came to you 26 years ago I brought money,

5-1-2007

Alvin W. Smith

Many voices and problems... and I hate that they be cause your problems, I already hate myself + I can't understand why you justifyably do too. I don't want to hurt anyone + I don't want to hurt your anyone! Please tell me what to do + I will! Don't it's about you, not me, do please, please, please tell me what to do...

I love you!
